Do you have a well or spring?  
Do you wonder if your water is safe to drink?

The Virginia Household Water Quality program offers affordable water testing and education to improve the water quality and health of Virginians who rely on wells and springs.

The water testing used in our program includes bacteria, lead, arsenic, and 11 other contaminants that may cause health problems or make your water taste or smell bad.

Pick up your kit – Drop off your samples – Receive your results – Understand what to do

Pre-registration and pre-payment are required! For more information or to pre-register, contact VCE-Westmoreland at 804-493-8924 or sromelcz@vt.edu
