

# Virginia Household Water Quality Program

## Westmoreland County Drinking Water Clinic

**Do you have a well or spring? Wonder if your water is safe to drink?**

*The Virginia Household Water Quality program offers affordable water testing and education to improve the water quality and health of Virginians who rely on private wells and springs.*

**How much does it cost?** \$65 per sample kit.

*Financial assistance is available to families with school-aged children and to anyone with a need.*

Testing includes: bacteria, lead, copper, arsenic, iron, manganese, pH, hardness, sodium, sulfate, fluoride, and nitrate.

	<b>Date and Time</b>	<b>Location</b>
