Public Notice: Environmental Remediation Project at O'Gara, 18047 Kings Highway, Montross, Virginia

For Immediate Release

Westmoreland County wishes to inform our community that ground work currently taking place at 18047 Kings Highway is part of an ongoing environmental remediation project in collaboration with the United States Environmental Protection Agency (EPA) and the Virginia Department of Environmental Quality (DEQ) under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA).

Project Overview

The current site activities are critical environmental assessment and cleanup efforts designed to address and mitigate potential environmental impacts. During this phase of the project, which is expected to last about six months, the public may see equipment and personnel on the property. Temporary ground disturbance to the site is expected with no or minimal disruption to the surrounding areas.

The primary goal is to restore and protect the environmental integrity of this site for the benefit of our community.

For More Information:
