GIS Parcel Change Form

Name: _____

Parcel Identification Number: _____

Physical Address (if applicable): _____

Contact: _____

1. Please check all that pertain to the parcel in question.

- Parcel Split
- Parcel Combination
- Parcel Enlargement
- Line Adjustment
- Missing Parcel

2. Provide a recorded plat or map of your property with a deed book and page number.
You may visit the Records Room in the courthouse to obtain a copy of your plat.

Note: If you are not able to provide a legible plat or map of your property with proper scale, dimensions and identifiable reference points, you will need to contact a licensed surveyor to draft an accurate map. References include utility poles, street centerlines/road intersections, surrounding structures, driveways, fences, wood lines, piers, etc.

3. Additional Comments:

Disclaimer: *I understand that Westmoreland County GIS maps are a digital representation of geographic land features and may include errors and discrepancies. Furthermore, I recognize that the land use office files copies of surveys and plats but all recorded documents and official records are held by the Clerk of the Circuit Court.*
