

NOTICE
WESTMORELAND COUNTY
SOLID WASTE DISPOSAL PROCEDURES

Residents of Westmoreland County, Virginia are required to display the Westmoreland County Waste Disposal Permit in their vehicle when disposing of waste at any of the County's three solid waste disposal sites. Persons not displaying the Westmoreland County Waste Disposal Permit will not be allowed to dispose of their waste at any site.

There will be an **annual reissue** of your Westmoreland County **WASTE DISPOSAL PERMIT**. The permit validity dates are visible on your disposal tag below the permit number. Each year the permits will display a different color.

Permits are available to residents at the Westmoreland County Treasurer's Office, located at the rear entrance of the George D. English, Sr. Memorial Building, 111 Polk Street, Montross, VA. Permits are issued upon verification that all personal property and real estate taxes have been paid. Those residents who are renting should present proof of residency to receive their permits or ask the owner of the property for the use of the permit associated with the rental property.
